Overview

Lexi Lora-Whitmer assists clients involved in family law disputes. Divorces, child custody battles, and property distributions can be emotionally and financially draining. Lexi walks clients through the process informing them of what is going to happen in the courtroom. She works with clients during discovery, pre-trial planning, document preparation and any other legal task needed by the client.

Prior to joining Crain Caton & James, Lexi focused on the defense of claims arising under the Longshore and Harbor Workers' Compensation Act (LHWCA) and the Defense Base Act (DBA).

While in law school, Lexi was involved in the advocacy program and participated in several moot court competitions. She was named Best Oral Advocate by the Appellate Lawyers Association in their annual moot court competition. Lexi is also an inducted member of the National Order of Scribes Class of 2022 which recognizes law students who excel in legal writing.
